Writing copy and scripts for our radio auditorium program, taking snapshots, mounting pictures, planning layouts, drawing cartoons, and running errands were a few of the tasks we experienced as members of the Hardscrabble Staff.

Sixth hour, the last period of the day, was the time we met with Miss Hall in room 210 to put our heads together in an attempt to devise, write, and revise. Our staff was organized last spring, so we were able to get off to a good start early in September on the plans for the book. "It's Ignorance That Counts," was the name of the auditorium program we gave in November in order to advertise the book to the student body. Soon after this, the Hardscrabble solicitors were chosen and the first payment of the '48 Hardscrabble collected in all the home rooms.

Later, in February, our second and last home room collection was made by the solicitors, and by that time copy had been sent to the printers, drawings were completed, layouts were being checked, and the book was well on its way to completion.

In April, the staff sponsored a dance in the school gymnasium. At last, in May, our plans for a year book emerged completed—between these two covers.

THE STUDENT COUNCIL

September marked the beginning of Streator High's second year of student government. Each home room elected a student to be its representative on the Council, and they in turn elected these officers for our student governing body: president, Norman Estvanik; vice president, Jack Kutches; secretary-treasurer, Nancy Stevens.

"The March of Dimes" Campaign, the drive for "A Gift for a Yank Who Gave," and Red Cross collections were sponsored by the Student Council. On December 19, between the halves of the Streator-Spring Valley basketball game, a Christmas pageant was presented. Various committees of the Student Council drew up rules and regulations for student behavior during auditorium programs and planned school safety measures. A handbook was compiled in which information about requirements for certain courses, membership and policies of school organizations, the school schedule and regulations, and the general traditions and policies of S. H. S. were discussed for the benefit of incoming freshmen.

The Student Council also sent six student delegates and Mr. Edie, their faculty sponsor, to the Illinois Congress of Student Councils which was held in Peoria, April 23 and 24.

This past year has been very happy and eventful for the S. H. S. band. Beginning in the fall, the sixty-two piece band participated in all of the home football games at which times they furnished music and colorful formations between halves. Following the football season, the band traveled to Normal, where they participated in the University Homecoming Festival. During the basketball season, they furnished music and entertainment before the games and between halves. In the early part of March, the band was invited to play for a meeting of the D. A. R. held in the Streator Armory. May 7, the band completed their year's work, by presenting their annual concert.

PRACTICE MAKES PERFECT

On Saturday, November 1, 1947, our band traveled to I. S. N. U. at Normal, Illinois, to participate in a homecoming festival. The trip was made in two chartered buses. After marching in the parade, our band performed on the football field in competition with 11 other bands, and was named the best playing band and the best marching band, for which they received two very beautiful trophies. Pat Devero, our majorette, also won a first medal in the field of band majorettes. After lunch the band members were guests of the University at their annual homecoming football game, at which time the honors were announced and the trophies were awarded.

This year our "B" Band consisted of sixteen students who were organized as a group in September. After a semester of intensive training, they made their first appearance between halves of the last home basketball game. The audience was very much entertained by their funny costumes and the band showed its marching and playing ability. The "B" Band members acted as ushers for the "A" Band concert.

VARSITY FOOTBALL

The Streator high school football team although handicapped by the loss of ten regulars from last year's great squad, came through the '47 season with five victores, two ties, and two losses. The losses were against non-conference opponents, Ottawa and St. Bede.

With three injured first string players out of the game, the Bulldogs got off to a shaky start, tying one non-conference foe and losing to two in their first three games. But Coach Richards kept their morale up and, when the injured regulars returned to the lineup, the Bulldogs let loose with their power and cut down five opponents in a row. The Bulldogs held first place in the Big Twelve conference from their initial start with Peoria Central until the final game of the season when Springfield held them to a 13 to 13 tie on a muddy and wet field. Champaign beat Pekin the following day to take first place and Streator placed second.

Streator opened the 1947 season against Kankakee on September 19. The husky Bulldogs fought the Demons to a 6 to 6 tie. The following week the Bulldogs played their traditional rivals, Ottawa, and were handed a 20-14 defeat.

St. Bede defeated the Bulldogs a week later 13-0 in the first home game of the season. Streator entered the victory column for the first time on October 3 by defeating Marmion 14-7. On October 9 the Bulldogs won their first Big Twelve game by handing Peoria Central a 13-7 defeat. The next game found Coach Richard's athletes stunning Pekin by upsetting them 21-20. On October 24 Streator traveled to Danville and came home with a 21-14 score at the expense of the Silver Streaks. This was their third loop victory. The Bulldogs ended the last home game of the '47 season by winning from Peoria Manual 19-18. The final game of the season ended in a 13-13 tie with Springfield.

Five of the Bulldogs won state-wide recognition. Cousins, Mel and Lou Kerestes, won first team positions on the All-Star Big Twelve Team, and Burrell Witko, Reid Metzgar, and Jack Greenwood were awarded honorable mention.

RICHARDS

COACH RICHARDS

Joe Richards, head football coach, produced a winning team again this year. He spent a lot of time with the boys and taught them not only football but also clean sportsmanship. Thoroughness and perseverance were the main characteristics of Joe's coaching. He will never be forgotten for the good teams he has turned out.

COACH LUNDBERG

"Swede" deserves praise for the coaching he did with his freshman-sophomore football and basketball squads. This is "Swede's" second year on the coaching staff, and he has won the liking of both players and fans for his splendid work and remarkable personality.

LUNDBERG

BULLPUPS

The "Bullpups" under the direction of "Swede" Lundberg finished the season with 4 wins and 3 losses. The team was composed of freshmen and sophomores. Great talent was displayed in their two victories over St. Bede, and the experience gained by the team members should prove valuable to next year's varsity.

GRADUATING

DONALD BEDNAR—Halfback

Don specialized in jarring line plunges. He saw a lot of action and fulfilled his position faithfully.

JACK GLENN—End

Jack gave a good account of himself on both offense and defense. He showed exceptional ability at snaring short passes and broke up interference time after time. Jack was a scythe-like blocker and a pillar on defense.

MATTY LAMPSON—Quarterback

"Stocky Matty", heavily built, was dependable and specialized in long passes. He performed creditably in action.

MELVIN KERESTES—Quarterback

"Mel" a triple threat back, was the key man to the Bulldog's "T". This was his first year at quarterback and he handled his position like a veteran. "Mel" was awarded a position on the All-Star Big Twelve Team.

EDWARD DVORCHAK—Guard

"Ed" showed an aptitude for tackling. He filled in his position neatly and was tough on offensive and defensive.

REID METZGAR—Tackle
Captain

Reid completed his second year of varsity football. Although injured in the early part of the season, he was a jolting charger and a dependable tackler. He won honorable mention on the All-Star Big Twelve Team.

ALVIN WIGGETT—Tackle

"Al" was a bruising lineman. He held up his side of the line neatly. He was a good blocker on offense and few ball carriers got by him on defense. "Al" was a heady and "gritty" player.

"S" MEN

BOB HOUSER—Halfback

Bob was a capable substitute and could be relied upon in the games he entered. He was a good ball handler and was deceptive.

GEORGE LESKANICH—Center

George was a reserve pivot man and an invaluable team player. Substituting for Baiett, he performed creditably in action.

RICHARD KILLIAN—Tackle

This was Dick's first year. He worked hard and developed skill at down-field blocking. Dick was a hard hitter.

DONALD SABOL—Fullback

Don stepped in to fill the second string fullback spot nicely. He worked hard to fulfill his position.

TOM FEDASH—End

Tom showed pass receiving potentialities. He performed capably as a flankman on the second string.

EDWARD AMELL—Guard

"Ed" was a hard charger even though he didn't weigh much. He was a hard scrapper and a heady player.

JOHN ELIAS—Halfback

John was a reliable substitute. He could buck the line hard and was a good tackler.

DEAN LYONS—Halfback

"Tiger" was a hard fighter and reliable in the games he entered. He was a dependable substitute.

The G. A. A. is an organization to promote interest in girls physical training, games, health, and sportsmanship.

The goals of each member of the club are local and state awards. To obtain these, a girl must earn a required number of points in athletics, scholarship, health, and sportsmanship. The first local award, the class numeral, is given for 600 points; the second local award, the school numeral, is given for 1200 points. The two state awards, the letter "I" and the minature State of Illinois, are received for 1600 and 2000 points respectively.

Although the G. A. A. is mainly interested in athletics it also has its social side. A swimming party followed by a chili supper was held in September. This gave the girls a chance to become acquainted.

On October 18, Ina DeMoss, Mary Ellen Hyduk, Bernadine Gall and the two physical education teachers, Miss Skurte and Miss Govas, attended a G. A. A. Conference at Peoria. There were special discussion groups for the teachers and the students in the morning. In the afternoon there were demonstrations on how to play several different games.

Sixteen girls attended the play day which was held on October 26, at Ottawa.

A Christmas splash party was held on December 14. At the party gifts were exchanged and refreshments were served.

Nancy Pickworth and Anne Keller were chosen to represent the group at the G. A. A. Camp at Lake Geneva, Wisconsin this summer.

GIRLS SPORTS

ARCHERY

Archery was one of the first fall sports in which G. A. A. members could participate. It was held on Friday afternoon after school under the instruction of Mrs. Mehall. Although no tournament was held this year, the girls learned a great deal, and, through practice, they improved their aims.

SOCCER

Soccer was also an early fall sport. It was held on Tuesday afternoons after school, under the direction of Mrs. Mehall. Instead of permanent teams, the girls chose their own teams each time they played. No regular tournament was held.

PLAY DAY

On October 25, a busload of G. A. A. members, accompanied by Miss Govas and Miss Skurte, attended a play day at Ottawa. Because of the bad weather, the girls had to stay indoors. However, a good time was had by all. The various teams were given names of professional baseball teams. Relays, swimming, kickball and bat-ball were among the sports enjoyed. There was a late lunch and group singing before the girls left for home. The girls who made the trip were: Lois Carter, Georgia Ladtkow, Bernadine Gall, Marilyn Hozie, Ina DeMoss, Mary Ellen Hyduk, Phyllis Sparks, Marilyn Shinky, Dorothy Shannon, Nancy Pickworth, Claudette Lechner, Marilyn Thew, Charlotte Pollett, June Ferguson, Theresa Chergoski and Georgene Farrington.

BOWLING

G. A. A. bowling began in the latter part of September under the supervision of Miss Skurte. The girls met at the Streator Bowling Lanes after school on Tuesdays, and they were divided into teams. Individual scores were kept, and they were not too high because most of the girls were beginners. Both fall and winter bowling sessions were held, although there was no tournament. Nancy Pickworth and Phyllis Sparks managed the first session of bowling, and Marilyn Walling managed the second.

CROSS COUNTRY

After a period of eleven years, cross country was again introduced at Streator High School under the supervision of Mike Signorella. In spite of inexperience, the harriers finished the season with a good record.

The Bulldogs competed in their first meet at Geneseo on October 7. Twenty-one schools participated in this meet and Streator finished down the list with 217 points. The next day, the harriers met with Ottawa here and registered their first victory 24 to 31. On October 14, the squad traveled to La Salle and were wedged out of a victory by one point, 22 to 23. A week later on October 23, the Bulldogs reversed the situation and took a 27 to 28 triumph from La Salle. On October 29, Streator was defeated 27 to 28 by Ottawa on their home grounds.

At the district meet which was held at La Salle, Dick Sauer and "Ed" Radatz qualified for the state meet by placing on the first ten in the district. The state meet was held at the Urbana Country Club. Out of the 125 candidates competing for honors, Sauer placed 54th and Radatz placed 62nd.

Most of the squad members will report again next year, so the team should have a successful season. Graduating lettermen were the veteran distance runner, Captain Dick Sauer, and Rodney Kain. Others receiving letters were: Edward Radatz, Richard Masley, Calvin Flavel, James Phillips, Dale Allen, Richard Humphrey, Dan Cook, Charles Dominic, Wayne Frye, Gerald Kaschak, and Richard Redd.

"Curtain Time . . . five minutes 'til curtain time," was a familiar call during the fall production of "The Man Who Came to Dinner," an all-school play sponsored by the Dramatics Club and directed by Miss Morris, the club sponsor.

Members of all four classes joined the club. At the first monthly meeting officers were elected. In the fall a Bowery Dance, complete with floor show, was sponsored in the gym, and a Hallowe'en masquerade and Christmas party were held for all members. In the spring the club and the Student Council sponsored another all-school play, "Home Sweet Homicide."

INTERNATIONAL RELATIONS CLUB

The color and atmosphere of the United Nations Organization were captured to some degree by our own International Relations Club, which was newly organized this year by Miss Bash and U. S. History students. Monthly meetings were held, and at these, mock Security Council, Atomic Commission, and General Assembly meetings were set up, with club members taking the viewpoints of the various members of the United Nations in the discussion. The executive branch of the International Relations Club was run in a democratic manner. A steering committee, made up of representative club members met weekly to plan programs and discuss club policies with the officers of the club, who were: president, Matty Lampson; vice president, Stewart Kristal; secretary, Emma Lou Walling; and treasurer, Shirley King.

The club's first year was very active. It sponsored: an intensive drive for funds for the Friendship Train; a student assembly program on the Atomic Commission; panel discussions on the specialized agencies of the United Nations, and a panel discussion on the Marshall Plan presented before various organizations around the city. In April, the club presented to the public a speaker who had traveled with a group of farmers to Europe to study conditions there. The money from this undertakng was sent to "Care," an organization for emergency European relief.

THE FRIENDSHIP TRAIN

Students of Streator High, we congratulate you. Never before in the history of our school was such a large job accomplished in so little time. The drive for money for the Friendship Train proved a big success; $2100 were collected in three days and converted to grain which was sent overseas.

A section of the train arrived in Streator in December, carrying delegates from the French and Italian embassies in Washington. Each of the delegates, Mr. Jean Biliard of France and Mr. Nicola Geirlic of Italy, thanked the people of Streator and surrounding areas for their generous contributions, and told of the dire need of food in their homelands. Others from the Friendship Train who participated in the ceremony were Mr. Dick Long, columnist of the Oklahoma Star, and Mr. Thomas Slater of Oklahoma. Miss Marjorie Simonton of Magnolia, Illinois and Miss Emma Waldschmidt of Granville, Illinois and Matty Lampson and Jim Thies of Streator High rode into Chicago on the train as representatives of this area.

Later in the year, S. H. S. received a letter from Mr. Drew Pearson, sponsor of The Friendship Train Drive, commending the entire student body and citizens of Streator for their tremendous help in accomplishing a task well worth doing.

The big moment!

The girls in Streator High's home economics classes did not spend all of their time with mixing bowls and tape measures. They reorganized their chapter of Future Homemakers of America in September, when the officers for the year were elected.

At the first meeting Rosemary Durdan told the group of many useful ideas she had acquired as a delegate to the F. H. A. camp last summer. A Hallowe'en party and a potluck supper were held later in the fall. At Christmas the club gave a basket of food to a needy family. In February, a Valentine party was enjoyed. A style show, a play, "Be It Ever So Humble," and a movie, "The Balanced Way," were presented in the spring as a student assembly program. Members of the Future Farmers of America assisted in the production of the play. At the closing meeting in May, the senior girls entertained their mothers at a Mother and Daughter Banquet.

MOVIE PROJECTION CLUB

The Movie Projection Club, under the supervision of Mr. Edwards, consists of boys from all four classes who are interested in learning how to operate the 16 millimeter projector. For several years, members of the club have been showing educational films before different classes, assemblies, and organizations.

In addition to operating movie projectors, the club members learned how to operate the new opaque projector which was recently purchased by the school. This projector does not require film, but has a frame on which any picture or other printed material may be placed and enlarged on the screen. The opaque projector will be very useful to the various school departments.

AERONAUTICS CLUB

Off we go—to salute one of our newest clubs, the Aeronautics Club. This was its first year of organization, and Harold Cupples was elected club president, and Carl Erler, secretary-treasurer. Mr. Edwards, the adviser, instructed the club just as he would instruct a regular class. Texts were used and weekly assignments were made. Information on Aeronautics schools and the Army Air Corps, C. A. A. flight rules, principles of flight, principles of meteorology, and the types of construction materials used in airplanes were the topics of discussion during club meetings. Construction of a wind tunnel for conducting experiments in conjunction with the study of flight principles was begun.

With such a good start—let's keep 'em flying!

THE CAMERA CLUB

Hold it—Click! Yes, there are those camera fiends, getting new pictures for their studies. The Camera Club was a brand new organization this year, and its purpose was to install and promote an interest in photography among the students. Meetings were held every second and fourth Thursday evenings from 7:30 to 9:00. James Gaisford was the president, Alice Moerchen, vice president, and Bill Case, secretary-treasurer. Mr. Mueller was the faculty sponsor of the group.

After business meetings, practical and theoretical programs were given through lectures, demonstrations, and movies. From March 22 to April 9, the club sponsored a photographic contest for the whole school. Pictures were judged by a group of faculty members and professional artists from Streator. First and second prizes were given in each class, and the prizes were based on the percentage of entry fees.

Contrary to belief, a camera was not needed for club membership; the club hopes to extend its enrollment next year.

THE REVIEW

News???? Gossip???? There's plenty of both in our school paper, the Review, which is published by the journalism class. Regular school credit is given to members of this class.

This year during the first hour the Review staff met with Miss Moynihan in Room 126. There they compiled the news of school activities and the latest choice gossip, all of which appeared in this bi-weekly paper.

Student subscriptions were taken in homerooms early in the year by the staff members, who also deliverd the papers to the students. Under the guidance of Mr. Westlake the boys in the print shop printed the Review. So you see that it is strictly a student publication.

GIRLS WINTER SPORTS

BASKETBALL

This year, a basketball tournament was held between class teams. The tournament was conducted on the basis of elimination. The winning team in each of the freshman, sophomore, and junior classes played during the noon hour. Miss Govas' third hour junior team won and then played and beat a selected senior team. The winning junior team consisted of Captain Nancy Pickworth, guard; Phyllis Sparks, guard; Janette Patrick, guard; Darlene Thacker, forward; Ann Louise Keller, forward; Jean Dooley, forward; Jean Bradish, substitute; Edith Finger, substitute; and Kathleen Vogel, substitute . Miss Govas' fifth hour freshmen team won second place. In Miss Skurte's classes, the third hour freshman team took first honors. The team was made up of Captain Nina Duffman, forward; Eileen Friede, forward; Frances Dettlehouser, forward; Marie Dutko, guard; Betty Dent, guard; Betty Manhke, guard; Norma Duffman, substitute; Maxine Schmitz, substitute; Margaret Mottershaw, substitute, and Barbara Dye, substitute. The first hour sophomore team won second place in Miss Skurte's classes.

VOLLEYBALL

Volleyball was played on Tuesday and Friday nights after school and on Thursdays at noon. Dorothy Pollett was the manager and Miss Skurte was the supervisor. Points were earned by the G. A. A. members each time they participated. The captains of the winning teams were Charlotte Pollett, Lois Carter, June Ferguson, and Mary Ellen Hyduk. So much enthusiasm was shown that a second session was played in which Charlotte Pollett's team won first place. Lois Carter's team placed second.

VARSITY BASKETBALL

This year the Streator Bulldogs took on a stiff schedule and finished the season with a record of 15 victories and 11 defeats, scoring a total of 1151 points.

Coached by Ben Westlake, the Bulldogs got off to a shaky start, but they came along fast at the close of the season to compete in the finals of the La Salle sectional. This was the first time since 1942 that a Bulldog team had gone to a sectional tournament.

Among the highlights of the season was the Bulldog 52-51 victory over Pekin. This was the only defeat suffered by the Chinks in their entire regular season. Along with defeating Pekin, the Bulldogs established a brilliant record over Illinois Valley teams, taking two game series over Ottawa, La Salle, Spring Valley, and Marseilles.

Streator started the season with a hard fought victory over Spring Valley 54-48, and finished with an easy win from Peoria Central, 63-31. The Bulldogs won 11 of 21 games scheduled during the regular season.

The regional tournament which was held at Ottawa, found the Bulldogs in top shape. Streator won from Seneca in the opening game 54-44. The semi-final game was played against our traditional rival, Ottawa. After a tough battle, the Bulldogs came out on top, 55-48, for the third win over Ottawa in the season. The final night of the regional the Bulldogs met a strong team from Minooka. Streator proved too powerful for them and won, 49-38, for the championship.

The following week Streator played Waterman, a strong quintet, in the sectional tournament at La Salle. After a thrilling overtime game, the Bulldogs again proved their strength with a 48-47 win. The following night, the championship game was played against La Salle. The Bulldogs started out slow, but came back in the final quarter to within 3 points of the Cavaliers, but time ran out and the Bulldogs lost a hair raiser, 42-37.

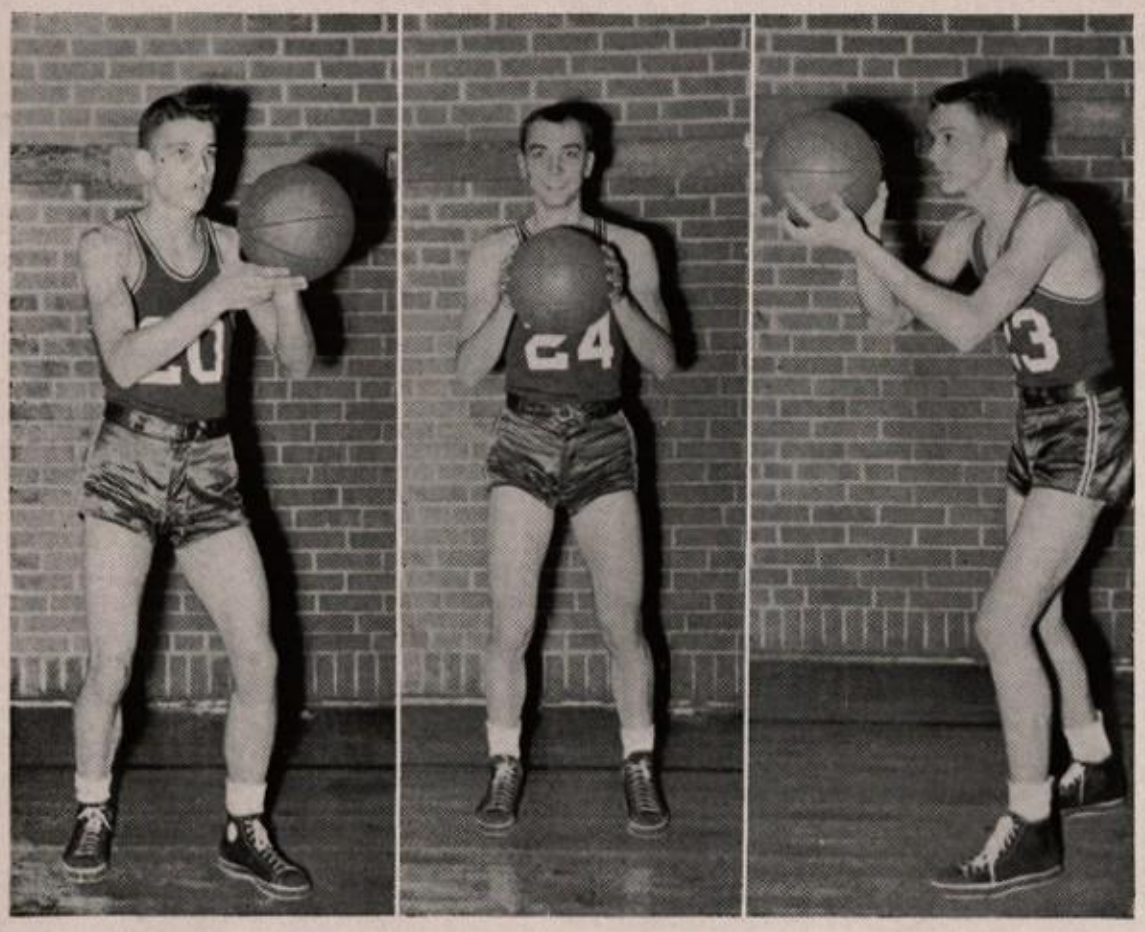
BEN WESTLAKE

This is Ben's second year of varsity coaching. Although he had fair material to begin with, Ben worked hard to produce a team that competed in the finals of the sectional tournament. We wish "Benny" lots of luck and many victories in his coming years of coaching at Streator High School.

COACH WESTLAKE



MILLER KAIN KERESTES

GRADUATING "S" MEN

BOB MILLER

Bob was the only regular returning from last year's squad. He showed plenty of class with his left-handed shots and trick passes. Bob was a cool-headed player who could make free throws when they were needed most.

MELVIN KERESTES

"Mel," undoubtedly one of the toughest rebounders on the squad was always watched closely by opposing teams. He was an aggressive player with fast reaction timing. "Mel", an all-conference footballer, carried his speed, drive, and energy to the basketball court.

RODNEY KAIN

"Rod" came to Streator this year after playing for three years on the varsity team at Melvin, Illinois. Not enough credit can be given to his sensational long shots that had the happy faculty of winning games. "Rod" was tough on both offense and defense and could be counted on to get defensive rebounds.

WESLEY RINKER

Wesley Rinker, 6'5" rangy pivot man, saw action with the regular varsity until injuries forced him to retire from his regular position.

Grab that ball! Get that rebound! Back on defense, boys!

ALL STATERS

The peppy, hard-fighting All Staters who provided preliminary entertainment at all home basketball games this season wound up their 1947-48 campaign with a successful record of 12 victories and 8 defeats. They averaged 33.12 points per game.

Coached by Albert (Swede) Lundberg, the All Staters made series sweeps against Marseilles, Ottawa and St. Bede.

Although organized primarily to develop future talent for the varsity, the All Staters always managed to furnish the fans with some lively entertainment.

The All Staters boasted one of the best underclass teams in many years and the regular five consisting of Don Rinker, Tom Robertson, Ron Cate, Darrell Holcomb, and Don Koenig developed so well during the season that Ben Westlake promoted them to reserve positions on his Bulldog squad.

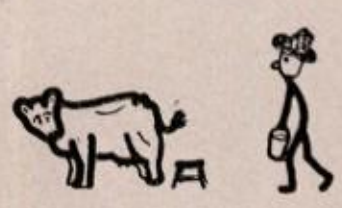
F. F. A.



Through the F. F. A. organization, Streator High's "ag" students learn the fundamentals of successful farming and of good citizenship. Many of the club's social activities have become traditional in the life of the chapter. However, each year finds the addition of new activities and projects. A watermelon feed in Marilla park was held early in September in honor of the incoming freshmen. At this get-acquainted meeting the following officers were elected: president, Jim Gahm; vice president, Dale Wanting; secretary, Richard Geisholt; treasurer, Thomas Durdan; and press reporter, Floyd Riss. These officers attended the sectional officers' training school at Joliet High School later in September.

The group sponsored their annual school dance with an added attraction—apple cider. During the year, numerous trips with the F. F. A. trailer were made to secure foundation project animals at purebred sales held within one hundred miles of Streator. Many of the boys joined in chartering a bus in order to attend the International Livestock Show in Chicago. Lunches with individual committees in charge were held in the tunnel after the noon club meetings.

The freshmen members of the chapter, as a whole, had an unusually strong selection of both crop and livestock projects. The club continued its capon projects with 700 cockerel chicks. The twelve boys producing the ten heaviest capons will be entitled to go on the annual summer camping trip in Wisconsin. A new project undertaken this year was an apiary of ten colonies of bees, which was located on Jim Gahm's farm.

In cooperation with the University of Illinois, seniors from the agriculture department did some practice teaching at S. H. S. this year. Mr. Baysinger and his classes enjoyed the assistance of Paul Dotz in the fall, and James Evans and John Stubblefield in the spring.

Streator High is proud of its progressive F. F. A. organization and to it and Mr. Baysinger, the club adviser, we wish a successful future.

COACH MUELLER

BASEBALL

Coach Leonard Mueller issued the call for baseball this year. Over 50 candidates appeared for the first practice sessions. After weeks of hard practice and drill, the squad shaped up to form a good pitching, catching, and fielding combination. With 15 returning veterans from last year and many new faces, Coach Mueller had many good prospects from which to choose his starting team. Many underclassmen who reported for the team, gained valuable experience for next year's squad.

Along with the regular schedule, the Bulldogs met Lostant here in the sub-district tournament, to determine which team would go to the state.

The following seniors were members of this year's squad: Alvin Wiggett, Gerald Harcharik, Wesley Rinker, Norman Estvanik, Melvin Kerestes, Gene Hoag, Jack Glenn, Dale Ogden, Matty Lampson, and Rodney Kain.

LEONARD MUELLER

Leonard Mueller, who has been a member of Streator High School faculty for the past few years, made his first start as baseball coach this season. With only a few returning lettermen, "Lenny" produced an aggressive and hard fighting team.

Row one: Simons, Radatz, Phillips, Sauer, Kaschak, Panno, Kotansky, Greenwood, Green, Studnicki

TRACK

On the first day he called for track practice, Coach Mike Signorella found approximately 75 ambitious boys waiting to get in shape for their first meet. The Bulldogs, hampered by bad weather, had only a few days of practice before they engaged in their first meet against Woodruff High of Peoria. They were defeated by their opponents but with the will to never say "die", the boys never gave up and were always fighting to the finish. The squad had a tough schedule ahead of them including an Illinois Valley meet at Ottawa. The district meet was also held at Ottawa.

Seniors, Dick Sauer, Jim Green, Alvin Wiggett, Charles Panno, and Don Sabol, were members of this year's team.

"MIKE" SIGNORELLA

This was "Mike" Signorella's third year as track coach. "Mike" spent most of his extra time training the many inexperienced members of this year's squad and in developing point-getters for the team. He has made many friends because of his jovial personality.

THE "Y" CLUBS

The purpose of the "Y" clubs is to create, maintain, and extend high standards of Christian character throughout the home, the school, and the community.

This year similar programs were followed by all clubs. These programs consisted of guest speakers, work on club projects, panel discussions, social events, and devotional services. Two joint meetings of the groups were held during the year, at one of which a missionary from India spoke. Boy-girl relations were discussed at the other one.

Following tradition, the Senior Tri-Hi-Y and Hi-Y joined in the production of a play. This year, "Our Hearts Were Young and Gay" was presented in the high school auditorium on March 19. Club members composed the cast and worked on the various committees. The play was directed by Miss Roma Johnson.

SWIMMING CLASS

SPRING SPORTS

Sports were planned for all girls in school. They could participate as long as they attended the games regularly. G. A. A. members earned points toward their awards during these sessions. Tuesdays and Wednesdays after school were reserved for these sports.

SOFTBALL

Softball, under the supervision of Miss Govas began late in April. Teams were selected and captains were chosen. The teams played each other until only one undefeated team remained. The games were held on Tuesday nights after school.

TENNIS

Tennis began in the latter part of April. No tournament was held, and no instructions were given. The girls chose their own partners for singles or doubles and kept their own scores.

SWIMMING

Swimming began last fall and extended through winter and spring. The girls met on Monday nights after school and later, after school on Wednesdays. Instructions were given, and points were earned by G. A. A. members. Swimming was under the direction of Miss Skurte. American Red Cross Swimming Skill Tests were given this year in the swimming classes. The girls who passed the final tests were: Sharis Havel, Phyllis Kacinski, Arlene Berta, Nancy Piercy, Vernabelle Robertson, Lucille Melvin, Joanne Hinds, Marilyn Werner, Marjorie Voights, Irene Cremean, Mary Ann Carey, Eleanor Leis, Nancy Pickworth, Janette Patrick, Jane Markland, Phyllis Wilkinson, and Beverly Anderson.

MEMORIES

"Star Dust" was the theme we chose for our Junior Prom, which was held Friday evening, May 16, 1947, in the Streator Armory. Traditionally, invitations were extended to every eligible junior and senior in the school. Dates were made . . . and a few were changed. Committees planned and worked until the very last minute. But it was well worth the effort, for the orchestra's mellow tunes, the twinkling tin-foil stars on the midnight-blue backdrop, the fragrance of flowers, the girls in graceful formals whisking across the floor, the thrill we had as we participated in the stately grand march, and the sadness we experienced during the last dance . . . all signified that our prom was everything we hoped it to be.

Our Star Dust Prom exists only as a memory . . . one of the most important and significant memories of our high school days.

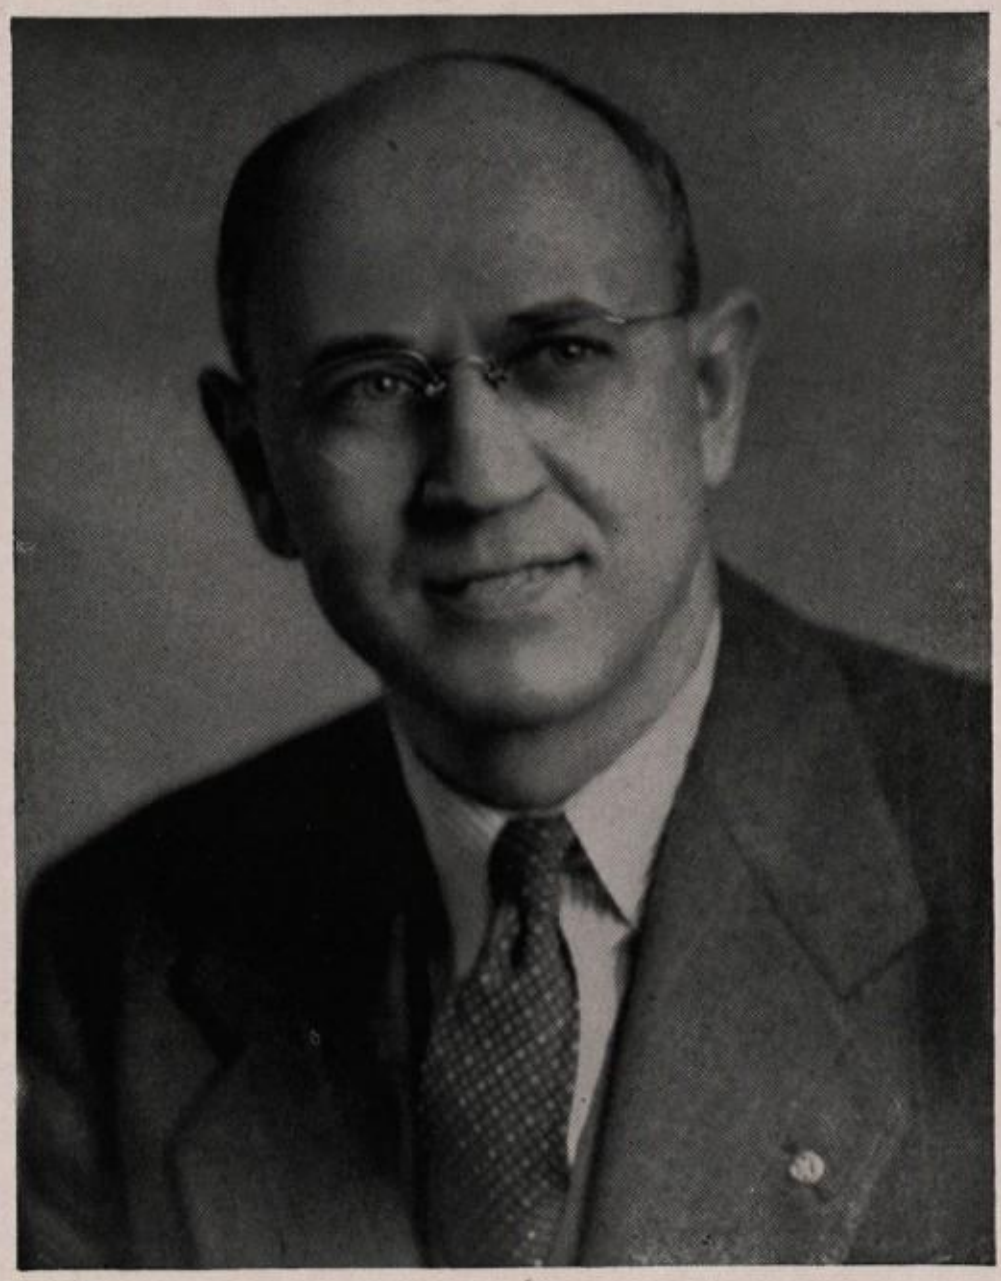
—AND WHAT THEY DID

MR. Z. H. DORLAND

PRINCIPAL



The basic fundamental principle that guides all our work in Streator Township High is based on the belief that every boy and girl has been created to be a "helper of man" not his rival. It is our sincere hope that when our students leave school to enter a trade, a business, or a profession they will be successful and, therefore, happy because they are able to fulfil the obligations of independent citizens in a free society.

CLASSES

On September 2, 1947, 1015 students enrolled in Streator Township High School. Of this number, 229 were seniors, 240 were juniors, 274 were sophomores, and 271 were freshmen. The students were introduced to a changed program of hour-long classes, with six periods a day. The home room was also changed. Instead of having large study halls for home rooms, students were placed in class rooms during home room period, which was the first thing in the morning. In this way each teacher automatically became an associate sponsor for the class of which his home room students were members.

The teachers assisting the senior class sponsor were Mrs. Borglin, Mr. Edwards, Mr. List, Mr. Martin, Mr. Ramp, and Mr. Lloyd. Miss Moynihan, Mr. Trepanier, Mrs. Patterson, Mr. Richter, Mr. Witt, Miss Riegel, and Mrs. O'Neil were associate sponsors for the junior class. Sophomore associate sponsors were Mrs. George, Mrs. Dale, Miss Bash, Mrs. Swanson, Mrs. Brix, Miss Tkach, Miss Mahoney, and Mr. Snow. Miss Cadwell, Miss Morris, Miss Homrighous, Mr. Magierski, Mr. Edie, Miss Butz, Mr. Piper, Mr. Westlake, and Mr. Richards were the associate sponsors of the freshman class.

In addition to these, a group made up of agriculture students from all four classes was under the supervision of Mr. Baysinger during home room period.

SENIORS

Each additional year of high school seemingly developed to be better than the year before it. Our memories as freshies in '44, experiencing initiation, and learning "what it was all about" were soon replaced by the sudden realization that we were no longer the youngest class in S. H. S., and as sophomores, we were able to take advantage of more of the good times and opportunities offered by our school. Studies and events came faster and faster until we found ourselves choosing our class jewelry, on prom committees, assisting with publications, and being recognized as true upper classmen. We went to football and basketball games, and watched our classmates score points. We also began thinking of plans after graduation, but not too seriously, for we looked forward to our last year of high school as one of the biggest events in our lives.

Suddenly it was almost over—and it seemed impossible that four years could slip by so quickly. Our assignments seemed longer than ever, outside clubs and activities took more of our precious time, and the glorious rush of being seniors engulfed us. Graduation invitations were chosen and ordered; we arranged for our caps and gowns and then concentrated on enjoying our last days as students in Streator High. Our last prom, final exams, Baccalaureate and Commencement crept up on us in no time—and now it's all over.

We have memories, yes, and we have the future. Even though plans for college or a job now have prominent places in our minds, we, the seniors of 1948 will never lose the memories of the many events which made Streator High the center of our lives for the past four years.

MRS. MAGIERSKI

SENIOR SPONSOR

AT THE close of our senior year we, the class of '48, gratefully acknowledge the assistance you have given us, Mrs. Magierski, as our class sponsor. We have taken a great deal of your time, but, on our part at least, we know it has been well spent. You have offered your assistance whenever we needed it. More than once you have lightened the tasks of class officers and committee members with your helpful advice.

We thank you, Mrs. Magierski, for your patience and understanding.
